

January 27, 2021

Dear Blossom Hill families and guardians,

To keep everyone safe during this winter season, we will be moving to **virtual visits only** for a period of time. This means that there will be **no window visits and no outdoor visitation allowed**. We hope this is only temporary, but we are taking precautions because of the flu season combined with COVID. Remember, there are many individuals who live in our houses who have a high risk of complications.

If you would like to schedule a virtual visit (via Zoom or Skype), please contact our Marketing Manager, Emily Dubyoski at 440-666-6147 and she can walk you through it.

In good news, all individuals who gave consent have received their first dose of the COVID-19 vaccine. The second dose will be administered in about 4 weeks. We will let you know when that is completed.

We hope you are staying safe and we hope things will be getting back to normal soon.

Sincerely,

Lynne Urbanski, COO
