Dear Blossom Hill families and guardians,

We hope you have been enjoying this beautiful spring weather!

As weather permits, we are allowing window visits and outdoors visitation. We feel more comfortable to allow these visits now that all individuals who gave consent, or through consent of their guardian, have completed the second dose of their COVID-19 vaccination. We also had approximately 70% of our staff members receive both doses of the vaccine.

We are still offering virtual visitation if you are interested. You can contact the House or our Marketing Manager, Emily Dubyoski at 440-666-6147 and she can walk you through setting it up.

Please stay safe and we are looking forward to a better summer this year!

Sincerely,
