Meet Anthony & Alicia

If you've already been to our new Abilities Enrichment Center (AEC)- you've probably run into Anthony or Alicia. They've been working hard behind the scenes to make sure everything is ready for AEC's Grand Opening in September. They both bring unique skills and experience to our team and if you were to ask them what they are enjoying most about the job so far, the answer is always the individuals we serve. Take the opportunity to meet both Anthony and Alicia at the AEC Ribbon Cutting on September 19th from 2pm-6pm along with other new members of our team!

Upcoming Events

- DSP Recognition Week September 8th-14th
 - End of Summer Picnic- September 12th
 - Family Picnic at Oak Grove Picnic Area in Brecksville from 10:30am-2pm
- Abilities Enrichment Center Ribbon Cutting September 19th 2pm-6pm

Please let Lori Inks know if you'd like to attend or scan the QR code below! email: [lorii@blossom-](mailto:lorii@blossom-hill.org)

Nurse's Corner

Ohio is known for unpredictable weather & summertime is no exception. Recent storms showed us firsthand how important it is to continue practicing our safety drills and ensuring we have everything we need on hand. A huge amount of appreciation goes out to our staff who worked through the power outages and all the other stressors during and after the storm, our individuals were comfortable thanks to all of you. Don't forget to always carry water with you and watch for signs and symptoms of dehydration for both yourself and our individuals. Questions? Contact our DON at bridgetb@blossom-hill.org

Fun in
the
Sun ☀️

Our individuals have been keeping busy both in the homes and in the community, enjoying all the summer lakeside events Ohio has to offer.

Message from Leadership

The sunny days of the summertime always hold so much joy. The warm weather allows us to get outside more often, and thanks to our great community, there is always something to do. We hope all are enjoying this time with friends and family as much as we are. While kids took a break from their classrooms, our staff were busy completing annual training sessions to refresh us on important information and skills relevant to our field. It was great to see everyone and recognize the knowledgebase we hold together- keep asking questions when they arise and speak out when needed. We are all advocates and are most successful when we work as a team & in that spirit- Blossom Hill has partnered with CoachUp Care as a social media platform only accessible to our internal team. Look for an invite in your email, you will now be able to post & interact with your coworkers, see messages from leadership in real time, participate in polls, and have ways to earn rewards all in one place- so be sure to check it out! We expect it to be a great tool to keep connected as Blossom Hill continues to grow and expand. Be safe as summer changes to fall and we hope to see everyone at the picnic in September -Lisa & Jessica
